

108 Green Street, Lunenburg

A Prominent Lunenburg Residence!

\$399,900

This graceful Lunenburg residence has been in the same family since it was built as their showpiece in 1936. The prominent Smith families, founders of Highliner & builders of the famous Bluenose, positioned their new home on one of the nicest lots in "New Town", boasting over half an acre of mature trees & park-like lawns, set back & elevated above Green St on a block of other outstanding homes of the same period. The 4 bedroom/4 full bath home features hardwood floors throughout, fine woodwork & period details galore. The Living Room features a traditional fireplace, the adjoining Den enjoys windows on 3 sides, and the formal Dining Room has a pretty built-in China cabinet. The vintage Kitchen is as stylish & functional today as ever with its original stainless steel countertops, Italian glass tile, & checkerboard tile flooring. Rare in a house of this vintage is a convenient 1st floor full bath & separate laundry room. Upstairs, find 3 generous bedrooms including a spacious & sunny Master which enjoys a full ensuite. Above the garage and with its own private staircase are what were once the maid's quarters, ideal today for the live-in in-law or independent teen. This special space features a cozy bedroom overlooking the back gardens, a small sitting room/office, and its own full bath. The basement is a delightful surprise with a finished Rec Room/Den w/ fireplace and the heated double garage provides plenty of room for the car & the toys. 108 Green Street is a remarkable property with a proud history.
