A Hidden Oasis...steps from Main Street!

\$350,000

Quiet & tranquil Hedge Row is a hidden oasis just steps from Mahone Bay's waterfront and the shops, restaurants & services of Main Street. Sitting proudly on the peaceful lane is this charming & extensively renovated character home on a generous and beautifully landscaped town lot. A fresh & bright interior features an open plan main living area with new hardwood floors. The expansive Living/Dining Room adjoins a pretty Sunroom addition at the back of the house where a walk-out leads to a large south-facing back deck with pergola. The updated Kitchen also enjoys access to the outside via a side entry Mudroom with convenient main floor Powder Room. Completing the main level is a cozy Family Room/Den -- with a whole wall of built-in closets & cupboards, this versatile space could easily double as a main level Bedroom. Upstairs, there are 3 good sized bedrooms, including a large and sunny Master which adjoins the main bath and has a generous walk-in closet. At the back of the wide upper hallway/landing is a clever 2nd floor laundry/linen closet, and at the opposite end, a lovely reading nook with window seat in the front dormer. The house has been thoughtfully updated with many period elements left intact, including wide trimwork & mouldings, a finely detailed staircase & railing, and beautifully refinished wide plank pine flooring. Updated systems include a new 200-Amp electrical service, newer windows throughout, fully insulated, and an efficient ducted heat pump (heat & AC) providing low-cost comfort year-round.
