Country Road Take Me Home...

\$189,900

Just 3 minutes outside of town, on a quiet country road, discover this charming Lunenburg homestead. The peaceful road and 1 acre lot create the idyllic pastoral setting for this thoughtfully renovated century farmhouse, complete with classic Lunenburg 'bump'.

The house retains much of its original character yet provides a more modern layout with front-to-back open concept main living area, made cozy with woodstove. A full bath and laundry on the main level are additional features of contemporary living, while softwood plank floors and a pretty eat-in kitchen harken back to earlier times. Upstairs are 3 bedrooms, including a large master with walk-in closet, a second full bath, and a sitting/reading nook in the front bump.

Looking for a Live/Work situation? This could be it!...a 50 foot stroll across the lawn could be your new commute to the workplace. Conveniently situated to the rear of the house is a 20 x 17 studio building with loft. This fabulous year-round building makes the perfect office workspace, artist studio, or bunkie/guest house.

Why not come for a drive down this country road? You may find you've come..."To the Place You Belong".
