Country Style, Modern Comfort

\$388,000

This 1850s Lunenburg County farmhouse has enjoyed extensive updates in recent years, making it comfortable for a modern lifestyle, yet retaining the charm & character of its historic beginnings. A generous Living Room occupies the front of the house and a cozy Office/Den with adjoining full bath w/ laundry take up the rear. The country kitchen features the original cooking hearth fitted with a toasty & efficient woodstove. Interior living spaces flow to the outdoors through walkouts from the Den to a sun-catching deck, or from the kitchen out to a stone patio under a shady grapevine pergola. Upstairs in the main house are 3 Bedrooms and a spacious 4-piece bath and an attached workshop building with loft studio provides versatile spaces for just about any hobby, for him or her. Fully insulated with a brand new high-efficiency propane boiler makes for a cozy & comfy living space, and a ductless heatpump supplements the main floor heating in winter and provides cooling in summer. The double garage features its own propane-fired hot water infloor heating system plus a fabulous finished loft space above. A paved driveway provides lots of parking and turn-around space. The property is immaculately landscaped mixing stone walls, tidy hedges, fish pond and ancient apple trees & grapevines with well-groomed lawns. The 1.25 acre lot rises toward the back and from the top takes in gorgeous views of rolling hills. This much-loved homestead is poised well above the road in the peaceful community of Pine Grove, an area of house-proud property owners & tidy homes, conveniently located minutes from Hwy-103, and all the amenities, shopping & services of Bridgewater. All in all, an ideal combination & a great place to call home.
