

1640 Highway 332, First South

Beautiful Century Home...Minutes from Town!

\$299,000

Can't decide between in-town or out? Well, imagine this...eagles & herons fishing, sheets on the line, blue in your view...there's poetry in this maritime landscape, and it's a mere 3 minutes outside of amenity rich Lunenburg. This handsome century home overlooking the gentle waters of Upper South Cove, has been thoroughly & lovingly restored, with respect for the character and craftsmanship of yesteryear, featuring beautifully refinished soft & hardwood floors throughout. A traditional floorplan includes a large Living Room with wide bay window looking out to blue waters, a spacious eat-in Kitchen, and Dining Room with original china cupboard and French doors to a private back deck. A cozy Den and handy full bath (w/ laundry) complete the main level and give potential for a main floor Bedroom. Upstairs, 4 bedrooms, each with lovely views, a bright main bath, and a small oceanview balcony. There's plenty of storage in a basement that's dry, warm & insulated, or in the lofty walk-up attic with large stained glass dormer overlooking the water (prime for conversion if you need more living space). Paved drive & a new garage that's as tidy as the home. Nothing has gone for want of attention with this home...the impeccable maintenance shows in every detail, from pristine lawns & gardens, the flawless exterior paint, to the interior finishes & original woodwork. All systems have been updated (new windows, roof, electrical, insulation, etc.) so there's little to do but move in and enjoy the seaside setting & pretty views.
