Neat as a Pin, Clean as a Whistle, Look at the lawn...not even a Thistle!

\$290,000

Rhymes aside, this 2200 sq ft home on its third of an acre corner lot is absolutely immaculate and a gem of a property. Built in 1950 the house retains the best of the period from the heavy lumber framing to the gleaming hardwood floors. A thorough renovation in 1998 transformed the kitchen & bathrooms and completely updated the electrical & plumbing systems. More recent upgrades include a propane insert in the Living Room fireplace, furnace & oil tank replacement and insulation. Enjoy the convenience of one-level living with 2 bedrooms & 2 full baths on the main floor, including a generous Master with ensuite & double closets. A finished lower level provides additional living space for larger families or guests. The lower quarters take advantage of large windows on the south side to create a bright & inviting space that includes a family room, a 3rd bedroom and another full bath, plus huge laundry, storage room and workshop. No need for clutter here, this well-planned home enjoys multiple storage areas from the attic to the lower level. And if the ample storage opportunities inside the house weren't enough, check out the over-sized double garage -- measuring 28 feet front to back, you'll find plenty of extra storage or workshop space, even with cars parked inside! Outside spaces and landscaping are as tidy as the interior, featuring pristine lawns & gardens with an interlocking brick patio just waiting for your BBQ & bistro set. Located in a quite 'New Town' neighbourhood, an easy walk to the school, community centre, or hospital.
