Quintessential Lunenburg

\$475,500

This classic 1885 residence w/ signature Lunenburg Bumps on front & back features a traditional layout, an abundance of original detail, and a quiet Old-Town location. The interior was recently stripped to the studs and thoroughly rejuvenated. Beneath fresh new surfaces is new insulation & completely updated electrical w/ extensive pot lighting. Beautifully refinished softwood floors throughout unite elegant principal rooms including a formal parlour w/ propane fireplace, separate dining room, and a stylish new Kitchen w/ large island & propane cooktop plus walkout to a deck overlooking the garden. Just off the kitchen is a sunny breakfast nook tucked into the main floor bump. Upstairs find 4 good sized bedrooms, a bright new family bath and another wonderful sitting area in the back bump. Need more living space? No problem...the finished walk-up attic offers plenty of room for your home office, hobbies & crafts, or TV retreat. And from the skylights you can even catch a glimpse of ships coming into the harbour. But that's not all, a high & dry basement w/ garden level walkout offers excellent storage or workshop space, or conversion potential for a separate guest suite. The compact yard typical of Old-Town provides just enough garden to supply herbs for the salad and fresh flowers for the table, and is fully fenced w/ ample lawn for Rover. A matching garage is ideal storage for the yard tools or perhaps develop this charming building into an artist's garden studio. Come enjoy the best of both worlds...character & charm combined with comfort & efficiency. All this in a convenient location just a lazy 5 minute stroll to the bustling downtown, a peaceful setting smack dab in the middle of one of the prettiest neighbourhoods you'll ever find!
