"Beautiful Bountiful"

\$525,000

Here we have a rare combination...old house charm with new house systems & functionality. A painstaking 5-year top-to-bottom restoration by the previous owner ensured this home's longevity for years to come, starting with a new full-height concrete heated basement with walkout. Other signatures of modern living are the 400 Amp electrical, a multi-zoned hot water in-floor radiant heating system, all new plumbing, new windows & full insulation. The current owners have further improved the property with a new metal roof, professional floor refinishing, and enlivened the grounds creating a bountiful array of natural beauty with wild flowers, perennials, an assortment of shrubs & grasses, and wonderful vegetable & herb gardens, all protected by a nearly invisible fence keeping the deer out and the harvest in. The interior of the 200 yr-old farmhouse is flooded with brilliant natural light thanks to its perfect southerly aspect. Enjoy main level living with master & full ensuite tucked privately into the back corner of the house. The rest of the main floor boasts a pretty country kitchen open to a sitting/dining area w/ wood fireplace, adjoined by a comfy living room and a handy main floor laundry/half bath. The spacious upper floor offers plenty of room for guests or hobbies w/ 2 further bedrooms, full bath, 'bump' sitting area, a sunny studio, and a small office. Elevated above the road, the house enjoys fascinating views across the tidal marsh out to Lunenburg Bay. Wonderful outdoor spaces include the large sun-soaked front deck and paths that wind their way through the various gardens, greenhouse/potting shed, and stone patio. Best of all, this 1.2 acres of beauty & bounty is a mere 2 mins from popular...but why would you ever leave!
