Herman's Island Hilltop Haven

\$895,000

Sweeping Ocean Vistas! ...that's what you'll enjoy from this hillcrest location on Hermans Point, a private & peaceful enclave of fine homes at the tip of sought-after Hermans Island. This single level contemporary home has 'Wow' factor from the minute you step inside and are welcomed by a spacious & airy interior with oversized principal rooms & massive picture windows that capture the essence of this special elevated parcel. Look out over beautiful Prince's Inlet & the islands of Mahone Bay and watch colorful sailboats coming & going. Built in in 2002, the well-designed home is anything but cookie cutter, featuring a main living area that flows seamlessly from kitchen & dining to formal living room & family room. Toward the back of the home are 3 bedrooms & 3 full bathrooms including a sprawling master w/ ensuite & its own walk out to the patio & views. The master is cleverly positioned in the house to easily serve as a fully self-contained in-law suite w/ a generous kitchenette & its own private entry off the carport. Enjoy the best of Nova Scotia's fantastic summers on the ocean. Herman's Point residents are provided access to the water with a section of sandy beachfront and a place to tie up with their boat alongside the shared community wharf, though if you're a sailor, you may be just as inclined to keep a berth at the Lunenburg Yacht Club, which is only a short stroll down the road. When summer ends and it's time to put the boat & water toys away, know that you can enjoy your hilltop haven year-round with the comfort of in-floor radiant heat & a wood-burning fireplace to add atmosphere. A premium location midway between the popular south shore communities of Lunenburg & Mahone Bay, and just an hour from HRM.
