MLS® 202125927

LOOK OUT!!!

\$799,000

That's what you'll do daily, from just about every room as the owner of this oceanview home on Corkum's Island. The hilltop location provides marvelous views of Lunenburg Bay & a quiet country setting & the convenience of being mins from amenity-rich Lunenburg. A surprise inside, this 2900sf home is larger than it looks. The interesting interior layout provides main-level living & centres around the fabulous Living Rm w/ cathedral ceiling, woodstove, & large windows framing the stunning views plus 2 walk-outs to a multi-level deck w/ grapevine pergola where you can while away the hours watching an ever-changing panorama of sea & sky. Just off the Living Rm, and ideally designed for modern living & entertaining, is the Kitchen which is open to the Dining Rm. The main level incl 2 BRs & 2 full baths, including the principal w/ ensuite, walk-in closet, & that same beautiful view. The finished basement features a lg Family Rm, guest BR & full bath, plus laundry, storage & exercise space. Creative renos in 2010 linked the main house to what had been a smaller detached garage. Today, a beautiful & versatile space which is part sitting room, part foyer, part gallery bridges these 2 distinct wings of the home. Stairs lead to an expansive open space above the garage which currently serves as a private home office/library, but could easily double as guest room or art studio. The 1-acre lot includes sprawling lawns, colourful gardens & flowering shrubs, & a fully fenced back yard to keep the deer out and the dogs in. But that's not all, the property also enjoys deeded ocean access a short stroll down the road where a quiet tree-lined lane leads to protected shore frontage where you can launch your kayak or just sit and watch shorebirds take advantage of the changing tides & unspoiled seaside habitat.
