Country Charm & Character with a Fresh Contemporary Feel

\$424,000

Sitting pretty surrounded by mature hardwoods and tall pines with a glimpse of the beautiful Lahave River in the distance, this charming country home has enjoyed an extensive rejuvenation and now boasts a fresh and bright interior. A side porch entry and mudroom lead into the stylish new kitchen complete with large peninsula which provides great prep space for the family chef. The kitchen adjoins a handy main level laundry/storage area along with access to a large deck overlooking the private back yard. Back inside a delightful breakfast nook is the perfect spot to enjoy your morning coffee or help the kids with homework while dinner is cooking. A large living area at the back of the house combines casual dining and comfy living with an attractive wood stove and built-in bookcase as the focal point. At the front of the house is a formal dining room with high ceilings and original trim work -- this room would also make an excellent main level bedroom, living room or office/den with a convenient powder room across the hall tucked under the beautiful original staircase that leads upstairs to 3 bedrooms. The spacious primary bedroom features its own sitting room, a large walk-in closet and a charming dormer window seat. The other 2 bedrooms are also well-proportioned and the 4-piece main bath enjoys brilliant afternoon light. More than just a pretty interior, the recent updates also include improvements for function and comfort, like two mini-split heat pumps and a brand new septic system. Ideally situated minutes down river from the town of Bridgewater, you're also a short drive from some of the South Shore's favourite beaches, making this a great location to enjoy that perfect work/life balance.
