Duke Street Dazzles!

\$835,000

82 Duke Street enjoys a prominent position on a double corner lot in Old-Town and is an architectural delight with gracious wrap-around verandah, wide bays & corner turret. Inside, a complimentary contrast in styles and finishes delivers the best of both worlds - a sleek contemporary kitchen/eating/den area anchors the main floor and provides for comfort & casual everyday living, while the more traditional living & dining rooms showcase beautiful original features...hardwood floors, stained glass, bay windows, pocket doors, built-in cabinetry, and heavy mouldings & trim. Wide openings between principal rooms and a foyer spacious enough to host a dance create the ultimate entertaining space. But don't be fooled by the generous proportions & square footage...this home retains a warmth & coziness with 2 propane fireplaces and several quiet 'curl up with a good book' spaces to enjoy when it's just the two of you. Two full & 2 half baths, including a stylish powder room on the main floor, a lavish main bath and vintage guest bath on the 2nd floor, plus a powder room ensuite for the primary bedroom. 2 guest bedrooms and a wide hall complete the upstairs and there's potential for additional living space in the unfinished attic. The partly finished basement features a laundry room with sauna & shower. Outside, enjoy this quiet Old-Town neighbourhood from the covered verandah or hide away on the surprisingly private back deck. There's a double carriage house/garage and plenty of off-street parking for your cars, which you'll rarely need as the downtown shops & services are just a 2 minute stroll away.
